Join us for our 60th Annual Meeting!

As a valued Harrison District 2 FCU member, you are also an owner, and your voice is important. You have the power to express your concerns and exercise your right to vote at the Annual Meeting and Election. It is also an opportunity to get updated on the state of the credit union and get connected with CU management and leadership, as well as with other member-owners.

At the 2018 meeting, members will learn about the credit union's current financial status, products and services, accomplishments and innovations over the past year, as well as goals for the future. You will be able to ask questions, take part in the election of incoming credit union officers, and meet other members of the credit union community.

Please join us for this worthwhile and informative evening on Saturday, April 21st at 10:00 AM to be held at the Zalman Center, next to Harrison High School. We look forward to welcoming you to the 60th Annual Meeting of Harrison District 2 FCU!

Get The Card That Gives You More

Credit cards have come a long way from the first use of credit coins and charge plates as far back as the late 1800s. According to creditcards.com, these early proprietary versions were issued by oil companies and department stores to create customer loyalty and improve customer service. Fast forward to 2018 and while you may still have a department store charge card tucked in between your other plastic cards, if your wallet doesn't boast one of our credit cards you could be missing out.

With a credit card from the credit union, you'll get one of the best interest rates available. Our credit card also comes with the member service you've come to expect from your credit union. Check out all of the benefits on our website; then apply today to get the card that gives you more.
